SPUD-TACULAR PICKS

As chefs, you know that incredible dishes start with inspiration, and ingredients come next. Fall menus tend to shift to heartier fall foods. This week, we have a fresh variety of seasonal produce, perfect for appetizers, sides, entrees, desserts, and special dishes for the upcoming holiday season. And for those meat-centric menus, take advantage of our vast selection of high-quality cuts.

CHICKEN ITEMS ARE NOW AVAILABLE ON THE APP
