BLOWING OUR HORNS

Every chef needs a few recipes using exceptional ingredients to add to their repertoire. This week, we're showcasing nature's autumn gifts with an exciting variety of seasonal produce. At the top of our list is the rich, earthy Black Trumpet Mushroom—a true treat ready to take center stage in your holiday menus. Plus, we've got root veggies, hard squashes, figs, persimmons, and small kumquats packed with intense citrus flavor and a powerful punch. Check out our full selection of diverse ingredients.
