FALL INTO CELEBRATION

As the weather cools and locally grown varieties wind down, it's the perfect time to embrace fall flavors and colors on your menu. This week, we're spotlighting fall-favorite microgreens and edible flowers –available year-round to add an autumn touch to your holiday dishes and drinks.

Showcase your seasonal dishes and drinks with vibrant garnishes, from Firestix mix to other versatile options that complement hot and cold presentations.

Bring the warmth and richness of fall to every plate and glass!
