## READY FOR DRESS-UP?

Long-term trends are here to stay, as are the ingredients that spark passion. With the holidays approaching, love is in the air and on your menu. Don't wait to order flowers, fun fruits, and specialty veggies. They do more than look good- they create endless possibilities for elevating plating, salads, desserts, and cocktails.

**Need advice, sourcing help, or a delivery adjustment?  
Just call or message your rep.**
